Dear Mr. Neal:

We received copies of Federal Notice of Intention to Drill on
Kenneth Murchison #2 Federal well located in the SE¹ Section
3-25N-12W.

This well is within one mile of the Bisti Lower Gallup Pool and
therefore comes under Bisti Pool rules, which allow 80-acre
acreage dedications. The Pool rules call for either South half
or North half dedications in a quarter-section.

Will you please outline the 80 acres to be dedicated to this
well and return the plats to us.

Yours very truly
