RE: Temporarily Abandoned Well:
Carson Unit #24-1 SWD B-24-25N-12W API 30-045-13301

Dear Mr. Seale,

Our records indicate that the above well failed it's MIT test performed on October 18, 1995 and subsequently a letter was sent to your office informing you of steps to bring this well into compliance. An inspection of this facility was performed on January 7, 1999 and it was noted that this well is inactive and requires P&A or TA approval under rules #201, 202, and 203 of the NMOCD Rules & Regulations and that the SWD-129 order is rescinded. Please review your records and contact this office indicating the status of this well.

You are hereby directed to submit plans to bring this well into compliance by February 15, 1999 and have all work completed by July 15, 1999.

If you have any questions, please feel free to contact this office.

Sincerely,

Bruce Martin
Deputy O&G Inspector
