Dear George:

The allowable for the captioned well is recapped below as requested:

Effective October 8, 1971, at 53 barrels of oil per day,  
the total October allowable is 1272 barrels.

The November allowable is 1590 barrels.

All production during testing and completion of the well is  
charged against assigned allowable.

If there are further questions please contact us.

Yours very truly,

A. R. Kendrick  
Engineer, District #3
