Gentlemen:

An Application to Drill subject well was submitted to your office on April 5, 1976, and approved by your office on April 7, 1976; however, drilling operations were postponed.

Will the original, approved application together with this letter be sufficient to obtain an extension of said application? We plan to commence drilling operations upon approval by your office.

Your prompt attention to this matter will be appreciated.

Very truly yours,

UNION OIL COMPANY OF CALIFORNIA
