Carson Unit #12X-13

Dear Mr. Kimmel:

Returned herewith is one copy of form C-101 for the subject well. Since the well is located on a federal lease the filing on their 9-331C is sufficient.

Also enclosed is a copy of Memo No. 2-65 relating to well names and numbers. The well number of the subject well does not comply with this numbering system.

Also enclosed is a copy of Memo No. 3-76 relating to whether or not the gas under a new well has been dedicated to a transporter.

Please phone me to discuss the well number and gas dedication before we show the well on our reports.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
