Devon Neilson Tank Battery, O-32-25N-11W (Tank Drain Pits)

Dear Mr. Corbett:

Field inspections conducted on May 7, 1993 revealed that the above mentioned pits have been replaced with above grade netted fiberglass tanks as per requested. The pits are now in compliance and no longer require C-134 exceptions.

If you have any questions please feel free to call this office.

Yours truly,

*Dianna K. Fairhurst*

Dianna K. Fairhurst  
Deputy Oil & Gas Inspector
