(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log (form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

By sundry notice dated 8/31/93, Merrion received approval to Plug & Abandon the Federal 28 No. 1E well. We have since begun a feasibility study to determine if a short-radius horizontal well should be drilled in the Dakota. Therefore, Merrion requests approval to hold until March, 1994, on plugging this well until we complete our analysis. If acceptable, we will file our plans by the end of March, 1994.
