Subject: Request for NTL 4A Venting Approval  
Ginny Corbett Well #1  
Section 31, Township 25 North, Range 11 West  
San Juan County, New Mexico  
Lease No.: NM 76857

Dear Mr. Keller:

Hixon Development Company requests approval to vent casinghead gas from the Ginny Corbett #1, for emergency purposes only.

The above mentioned location regularly sells casinghead gas; however, excessively high line pressure may cause a situation where venting is necessary.

Please do not hesitate to contact this office if you have any questions regarding this matter.

Very truly yours,
