Gentlemen:

Enclosed are your Applications for Permit to Drill well Nos:

1. 1 East Bisti Coal 21 sec. 21, T. 25 N., R. 11 W., San Juan County, New Mexico, lease NOO-C-14-20-5245.
2. 2 East Bisti Coal 21 sec. 21, T. 25 N., R. 11 W., San Juan County, New Mexico, lease NOO-C-14-20-5243.
3. 331 Carson Unit 18 sec. 18, T. 25 N., R. 11 W., San Juan County, New Mexico, lease 14-20-603-1283.

As discussed with Earlene Bickford of your company on July 5, 1991, the subject APDs are rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 30 days, we will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, may result in assessment of liquidated damages.

Sincerely,

John L. Keller
