*Attn: Mr. J. A. Cole, Geologist*

*Dear Sir:*

*We have received two copies of Federal Notice of Intention to Drill for your #1-D Sunnical Federal well located in the NW $\frac{1}{4}$  Section 19-26N-7W.*

*As this well is located within one mile of a Pictured Cliffs Pool boundary it will be necessary that we require that the Pictured Cliffs formation be covered with cement, using a two-stage tool. Will you please amend your notice of intention to drill to indicate that this will be done and return both copies to this office.*

*Yours very truly*
