Dear Mr. Porter:

This is a request for administrative approval for an unorthodox gas well location in the South Blanco Pictured Cliffs Pool.

The well, Rincon Unit No. 49, is a completed well, and was located by the original survey 1090 feet from the North line, and 1650 feet from the East line of Section 31, Township 27 North, Range 6 West, N.M.P.M., San Juan County, New Mexico.

A recent United States Cadastral Survey shows the well to be located 719 feet from the North line, and 1652 feet from the East line of Section 31, Township 27 North, Range 6 West.

Since El Paso Natural Gas Company holds all leases within a 790 foot radius the consent to said location has not been sought from any other operators.

Yours very truly,

WILLIAM E. S. OBERLY
