Gentlemen:

Attached is a copy of "Application for Dual Completion" we are filing for the approval of the New Mexico Oil Conservation Commission. This application concerns a well we completed in August of this year to produce from the Pictured Cliffs and Mesa Verde zones in Section 35-27N-6W, Rio Arriba County, New Mexico. This section adjoins a 160 acre lease in the NW of Section 1-26N-6W, part of which you are the record owner.

If you are not opposed to this dual completion, we would appreciate your so advising the commission.

Yours very truly,

CAULKINS OIL COMPANY
