Attention: Mr. A. L. Porter, Jr.

Gentlemen:

El Paso Natural Gas Company received shut-in Order SF-4032 ordering the Jicarilla Federal 93-2 well, Section 34, T-27N, R-3W, shut in until further notice for overproduction.

This well is the only well holding an Indian Lease and El Paso is of the opinion that the well requires production each month to avoid loss of the lease for failure to produce. In accordance with the provisions of Order R-2404-A, El Paso hereby requests permission to produce this well up to 500 Mcf per month.

If there is any further information you need to process this request, please advise me.

Very truly yours,
