17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Union assumed operation of this well from El Paso Natural Gas Company in May of 1986. Unknown to Union and without Union's consent El Paso recently removed all surface production facilities. Union intends to reactivate this well; however, requests a temporary one year shut-in status in order to evaluate the well since it has not produced since January 1986.
