Re: Application for Dual Completion for
El Paso Natural Gas Co. #19 SJU 27-5
SW $\frac{1}{4}$ Section 20-27N-5W

Dear Sir:

This letter will serve as tentative approval for the dual completion of the above well as a gas-gas dual in the Pictured Cliffs and Mesaverde zones.

It is understood that the zones will be separated by a packer on the 2-3/8" tubing between the two zones and a side-door choke installed in the 2-3/8" tubing above the production packer. Upon final completion, application for administrative approval should be made to Mr. A. L. Porter in Santa Fe as set out in Rule 112-C.

Yours very truly

Emery C. Arnold
Supervisor, District #3
