Mr. J. H. Jorgensen, President, B B 2000
Natural Gas Company, 10000

Box 1000

Denver, Colorado 80201

Dear Mr. Jorgensen:

This is a request for administrative approval for an additional
well location in the B B 2000 natural gas field.

It is intended to locate the well, B B 2000, in the B B 2000
natural gas field, B B 2000, 1000 feet from the south line and 100
feet from the west line of Section 15, Township 23 North, Range
10 West, B B 2000, B B 2000 County, New Mexico. The B B 2000
Section 15 is dedicated to this well.

As shown on the enclosed plat, the B B 2000 consists of a mountain.
The only accessible land for a well in the B B 2000 is that which
surrounds the location indicated. It is, therefore, planned to locate
the location well in order that the extremely high cost of
constructing an additional location be avoided.

Since all B B 2000 wells are located in the B B 2000 natural gas field,
this location is planned to be a location well and not a well.
From any other location.

I am enclosing two copies of the plat of the B B 2000 natural gas field,
two copies of the plat of the B B 2000 natural gas field.

Yours very truly,

ORIGINAL SIGNED E. S. OBERLY
