Re: Application for Dual Completion,
El Paso Nat. Gas #14-X SJU 27-4,
SW $\frac{1}{4}$ Section 18-27N-4W, Rio Arriba Co.

Dear Dan:

Tentative approval on the above dual completion was not requested at the time the well was drilled.

We have a copy of their application along with packer tests, and I recommend that administrative approval be given.

Yours very truly
