Pacific Northwest Pipeline Corporation
405½ West Broadway
Farmington, New Mexico

Administrative Order NSL-69

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Indian "P" Well No. 1 to be located 1386 feet from the North line and 1236 feet from the East line and in the SE/4 NE/4 of Section 16, Township 27 North, Range 3 West, Blanco Mesaverde Pool, Rio Arriba County, New Mexico.

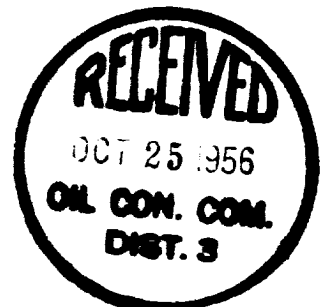

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the NE/4 of said section.

Therefore, by authority granted me under provisions of Section 1 (c) of the Special Rules and Regulations of the Blanco Mesaverde Pool, as set forth in Order R-110 as amended by Order R-397, you are hereby granted an exception to Section 1 (c) of Order R-110 as amended by Order R-397 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, JR.
Secretary-Director
