

December 6, 1956

Mr. A. L. Porter
New Mexico Oil Conservation Commission
Santa Fe, New Mexico

Dear Mr. Porter:

Pacific Northwest Pipeline Corporation requests administrative approval to take exception to Rule 104, and drill San Juan Unit 28-6 Well No. 75-3, an unorthodox location, located 750' FSL and 1850' FWL, Sec. 3, T 27N, R 6W, Rio Arriba County, New Mexico.

Pacific Northwest Pipeline Corporation is the owner of all the acreage in Section 3, and attached is registration receipt for letter notifying Mr. T. F. Harrington, the only offset operator, of our intention to drill an unorthodox location.

We request this unorthodox location because of the severe topography in this area.

Respectfully submitted,

T. A. Dugan
