New Mexico Oil Conservation Commission
Santa Fe, New Mexico

Dear Mr. Pomeroy:

Positive Moratorium Bill
A-SB 111 must not pass in the House of Representatives
unless it has a favorable vote from the Senate. It is
now in the Senate Education Committee, and I would like
you to write to Senator J. C. L. Moore, Chairman of the
Senate Education Committee, and ask him to support
the bill.

Positive Moratorium Bill
This bill is to prevent oil companies from drilling in
the state of Colorado until the legislature has a chance to
act on the proposed legislation. It is important that
we have a positive bill to prevent oil companies from
drilling in Colorado until the legislature has a chance to
act on the proposed legislation.

Positive Moratorium Bill
I am enclosing a copy of the bill for your information.
Please let me know if you have any questions or
if there is anything I can do to help you.

Very truly yours,
John A. Pomeroy
