Re: San Juan 27-5 Unit 53, M-05-27N-05W, API 30-039-07158

Dear Mr. Fine:

The 2000 Packer Leakage Test on the referenced well does not provide the required crossover information for the zones. In order to comply with Rule #112A, you are hereby directed to retest the well to show separation of the zones prior to August 1, 2000. Notify the Aztec OCD in time to witness the retest.

Feel free to call me at 334-6178, ext. 16, if I can be of any help.

Sincerely,

A handwritten signature in cursive script that reads "Charlie T. Perrin".

Charlie T. Perrin
