7. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

It is requested that an additional six-month period be granted in order to continue evaluation of this well under the temporary repair of a casing failure condition that was approved until November 6, 1983. During the period between June, 1983 and October 1983, the well has only produced for a total of 6.2 days due to no demand status. This condition has not allowed an appropriate evaluation to be completed.

extended to May 6, 1984

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
