Re: Reporting errors on C-115's

Dear Ms. Simkins:

The two wells shown on the attached C-115 are not in the East Puerto Chiquito Mancos Pool. Please submit corrected reports showing these wells in Rio Arriba Undesignated Greenhorn.

Also, the referenced wells are lacking allowables because GOR tests have not been submitted as required by Rule 303. If these tests are not submitted in a timely manner the wells will be shut in.

If you have any questions, please call.

Sincerely,
