RE: Al Dawsey
El Vado #1, N-11-27N-01E
El Vado #2, I-11-27N-01E

Dear Florene:

The referenced wells were drilled in 1986 to a depth of about 1600 feet. They were drilled without a permit and no subsequent reports were filed. Five Thousand Dollars (\$5,000.00) cash bonds are held with First National Bank of Albuquerque.

Please docket a case calling for Al Dawsey and all other interested parties to appear and show cause why the El Vado #1, located 610' from the south line and 2000' from the west line of section 11, township 27 north, range 1 east and the El Vado #2, located 1770' from the south line and 970' from the east line of section 11, township 27 north, range 1 east, should not be plugged and abandoned in accordance with a Division approved plugging program.

Yours Truly,

Charles Gholson
Deputy Oil & Gas Inspector
