Jicarilla 2A-1 (27-2) [former well name]  
Metano #1 [new well name]  
NE NE Section 2 T27N R2W  
Rio Arriba Co., New Mexico

Dear Robert,

The Aztec office of the New Mexico Oil Conservation Division has informed us that we need to rename this well due to the fact that the current name is a duplication of another existing well. Therefore, the current name, Jicarilla 2A-1 (27-2), should be changed to reflect the proposed new name:

American Hunter  
Metano #1 238  
NE NE Section 2  
T27N R2W  
Rio Arriba County, New Mexico

Please make a record of this in your files. Thank you.

Very Truly Yours,

AMERICAN HUNTER EXPLORATION LTD.
