13. Describe Proposed or Completed Op-	eration (clearly state all pertin	ent details, including est	imated starting	date of any p	roposed work and appro	ximate duration thereof.

Describe Proposed of Completed Operation (clearly state all pertinent actalls, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Conoco Inc. originally submitted the Basin Dako a pool only, we propose to include the Mesaverde Dakota. This well will be down hole commingled pursuant to the terms and conditions outlined in Order R-11363.
