ADDRESS REPLY TO  
POST OFFICE BOX 997  
EL PASO, NEW MEXICO

Mr. A. L. Porter, Secretary & Director  
Oil Conservation Commission  
Box 871  
Santa Fe, New Mexico

Dear Mr. Porter:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the well, El Paso Natural Gas Co. San Juan 27-4 Unit No. 31, 810 feet from the South line and 690 feet from the West line of Section 7, Township 27 North, Range 4 West, N.M.F.M., Rio Arriba County, New Mexico. The W/2 of Section 7 is dedicated to this well.

As shown on the enclosed plat, the SW/4 of Section 7 consists of rock ledges. The only accessible land for a well in the SW/4 is that which makes the location unorthodox. It is, therefore planned to make the location unorthodox in order that the extremely high cost of constructing an orthodox location be avoided.

Since El Paso Natural Gas Co. holds all leases within the 790' radius the consent to said location has not been sought from any other operators.

I am enclosing two copies of the certified well location plat, and two copies of the notice of intention to drill.

Yours very truly,
