Re: CBU #1, M-31-26N-12W; CBU #5, D-6-25N-12W

Dear Sirs:

Conversion of a producing well to an injection well requires filing form C-108 with the Division and District offices. Wells CBU #1 and #5 do not have approved orders or C-108's. These forms and the "Injection of Fluids into Reservoirs" rules are provided with this letter.

If you have any questions please call this office.

Yours truly,

A handwritten signature in cursive script that reads "Jeff A. Edmister".
