Gentlemen:

You recently notified us of gas connection of several of your
Dietl Gallup oil wells.

In checking our files we find that we are lacking Form C-110 naming
a gas transporter as required by the rules on four Hospah Unit wells
in Section 36-26N-13W

Will you please file Form C-110 in quadruplicate on each of these
wells immediately.

Yours very truly

Emery C. Arnold
