British-American Oil Producing Company P.O. Erawer 330 Farmington, New Mexico

Gentlemen:

We are requesting that Oil Commission "Casing Failure Report" forms be filed in triplicate on all wells on which casing failures have occurred. This form should be filed subsequent to repair. You are also reminded that Commission Form C-102 should be filed prior to institution of remedial action on any well on which pasing failure has occurred.

We have never received a casing failure report on the following well on which we have information that casing failure has occurred:

Pritish American #2-E Salge, 33-26N-13W

We are enclosing a supply of Casing Failure Report forms for your convenience.

Yours very truly

Emery C. Arnold
