13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Dugan Production Corp. has made application to NMOCD and USEPA for conversion of this well to water injection service. The NMOCD has approved our application. The USEPA has the final application, but has yet to approve the application. This well will be converted to injection service as soon as the USEPA approves the application. We ask that this well be allowed to continue shut-in until that application is approved.
