Gentlemen:

We are sending you herewith two copies of Well Log on our #4 Foster-Riddle, Pictured Cliffs well in the northwest quarter of Section 25, Twp. 26N, Rge. 8W, San Juan County. We understand from El Paso Natural Gas Company that approval of our Forms C-104 and C-110 is held up pending receipt of copy of this log.

We have checked with the U.S.G.S., who state that two copies of the log were forwarded to you in the usual way upon receipt by their office last November. In the circumstances we are sending you two more copies, and hope that you can now give immediate approval of the C-104 and C-110, so that El Paso Natural Gas Company may start delivery of gas.

Yours very truly,

BENSON-MONTIN-GREER DRILLING CORP.
