Re: 1963 Annual Deliverability Test

Dear Mr. Stoabs:

January 10, 1964 was the final date for filing subject tests without loss of allowable.

A memorandum was sent to each operator on November 27, 1963 with a list of prorated wells showing the test status at that time.

We have not received subject test for the Benson-Montin-Greer #4 Foster-Riddle, C-25-26N-8W.

If we can be of further service, Please contact us.

Yours very truly

*A. R. Kendrick
Engineer, District #3*
