Re: Non-Standard Unit, Skelly
Oil Co. #14 A.L. Duff,
F-19-26N-3W

Dear Mr. Cosper:

We note from Form C-128 filed for the above well that you are dedicating two lots on the West side of Section 19 in addition to the ~~Sp~~^{SW} of Section 19 to the above well, which acreage dedication totals 95.8 acres.

Before this well can be produced it will be necessary that you secure approval of the non-standard unit as set out in Rule 104, Paragraph M. This application should be made to Mr. A. L. Porter in Santa Fe. You will also note that you should notify all offsets by sending them a copy of your application. If we can be of any service in this matter, please contact us.

Yours very truly

Albuquerque, New Mexico
Dear Mr. Johnson:

For Don-Edward Unit, Shelly
Oil Co. A.M. Unit
1-1-36-37

Dear Mr. Johnson:

We note from your letter dated July 27, 1936, for the above unit that you are
deducting two lots on the West side of Section 19 in addition
to the 2000 of Section 19 to the above well, which changes
deduction total to 2200 acres.

Before this unit can be processed it will be necessary that you secure
approval of the non-reserved unit as set out in Rule 100, paragraph
11. This application should be made to the U. S. Bureau of Land
Mts. You will also note that you should notify all objects by
sending them a copy of your application. If we can be of any service
in this matter, please contact us.

Yours very truly
