

New Mexico  
OIL CONSERVATION COMMISSION  
Aztec, New Mexico

July 28, 1958

*Shelly Oil Company  
Box 426  
Farmington, New Mexico*

*Att: Mr. P. E. Cooper*

*Dear Sir:*

*We received a copy of Notice of Intention to Drill and Form C-128 in connection with your #13 A.L. Duff well in Unit M, Section 18-26N-13W. We note that Section 18 is an irregular section and that your dedicated unit contains 95.49 acres. As this well is in the Dist#2 Lower Gallup Pool the standard unit would consist of 80 acres. Before the production of oil from this unit can be approved it will be necessary that you secure administrative approval for the communitization of the fractional lot as set out in Rule 104, Paragraph M.*

*This application should be directed to Mr. A. L. Porter, Director of the Commission. If immediate approval is desired waivers from effect operators should be secured. In any event effects should be notified of your application and the Commission will wait 10 days before approving pooling if no objection is made.*

*If you have any questions on the matter please contact us.*

*Yours very truly*

*Emery C. Arnold  
Supervisor, Dist. #3*

New Mexico  
OIL CONSERVATION COMMISSION  
Albuquerque, New Mexico

July 20, 1959

Trinity Oil Company  
Box 452  
Birmingham, New Mexico  
Attn: Mr. E. D. Cooper

Dear Sir:

We received a copy of Notice of Intention to Drill and Form  
O-128 in connection with your #13 A-2 well in Section  
Section 18-28N-13E. We note that Section 18 is an irregular  
section and that your dedicated well contains 24.42 acres.  
As this well is in the State Lower Oil and Gas Lease and  
would consist of 80 acres. Before the production of oil from  
this well can be approved it will be necessary that you secure  
the administrative approval for the conservation of the production  
of oil from this well in this 104, Paragraph 10.

This application should be directed to Mr. A. L. Foster, Director  
of the Commission. If immediate approval is desired advise  
from other operators should be secured. In any event effects  
should be notified of your application and the Commission will  
wait 10 days before approving pooling; no objection is made.

If you have any questions on the matter please contact us.

Yours very truly

Ernest C. Arnold,  
Superintendent, Dist. #3

EX-105
