Dear Sir:

At the present time annual ratios are conducted in this pool and the scheduled month for testing will be published on the front of the oil proration schedule next spring. No further tests will be required until that time.

I presume that our Santa Fe office has mailed you the order which you requested.

Yours very truly

Emery C. Arnold

Dear Sirs:

Dear Sirs:

We have received a copy of your letter of November 2, 1961 to our Santa Fe office regarding the oil well located in the Santa Fe Pool.

At the present time annual tests are conducted in this pool and the scheduled month for testing will be published in the form of an oil production schedule soon after. No further tests will be required until that time.

I presume that you have no objection to the oil well being tested and you requested.

Very truly yours,

Amey F. Smith
Secretary, District #1

Gentlemen:

We note that commencing with the September, 1961 State-Wide Proration Order covering all producing oil wells in McKinley, Rio Arriba, Sandoval and San Juan Counties, New Mexico, the test period and deadline for filing Form C-116 were omitted from the front cover of said orders.

We would greatly appreciate your advising as to further procedure and required filing regarding Form C-116. Also, please furnish a copy of Order R-1638, R-1414 and R-1636, and any other orders pertaining to the Bisti Lower Gallup Pool.

Very truly yours,

ROCANVILLE CORPORATION
