13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directional drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Our intention to do tubing replacement & clean out was not accomplished due to non-availability of rig.

Request extention of original proposed work of 7/2000. We now have a rig & will attempt to return well to production within the next 90 days.
