San Juan

New Mexico

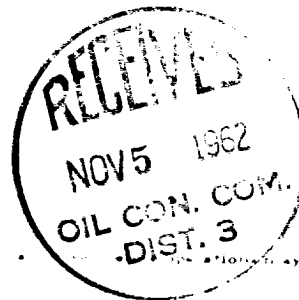

The elevation of the ground level above sea level is 6637 ft.

DETAILS OF WORK

State names of all persons who have been employed by the company in the performance of the work, and the number of days each has been employed.

It is intended to plug & abandon this well in the following manner:

1. Pull tubing & spot a 35 sk. cement plug across open hole (2163-2190').
2. Find free point on 5 1/2" casing and cut.
3. Spot a 20 sk. cement plug across cut off & pull 5 1/2" casing.
4. Spot a 20 sk. cement plug in top of surface casing and install a 4' x 4" dry hole marker.

I understand that this plan of work must receive approval in writing by the _____ before any operations may be commenced.
