(Note: Report results of multiple completion on Completion or Recompletion Report and Log form.)

13. Describe Proposed or completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Merrion Oil & Gas had planned to plug and abandon the subject wellbore by July 2002. I did not have it on my project list and did not schedule a plugging rig until we received your letter dated July 23, 2002. I have contacted the plugging company and we are on their schedule for mid to late September. The plugging will be completed by October 15, 2002.

14. I hereby certify that the foregoing is true and correct
