Dear Sirs:

Re: Huerfanit Unit No. 17-2
Unit N - Section 2 - 26-N - 9-W
San Juan County, New Mexico.

Herewith are six copies of a notice prepared on Form C-103 with reference to the State Lease on which the above noted well was drilled.

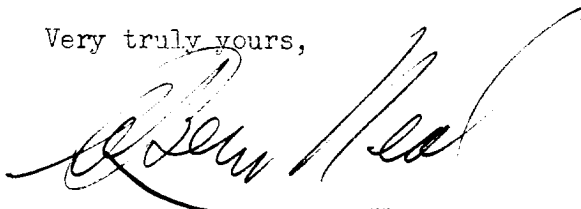

We are now informed the correct lease number is B-11122.

Originally we were given the number as B-1122, and all papers from the notice of intention to drill to the most recent report filed have so indicated. The well was completed in June, 1955.

We shall appreciate it if you will circulate copies of the enclosed notice in order that the interested parties and departments can make the necessary correction in their records.

In particular, please send one to The Commissioner of Public Lands.

Very truly yours,

C. Beeson Neal
