Att: Mr. Jerry W. Hudeburgh

Gentlemen:

Reference is made to your letter of September 9, 1957 concerning acreage dedication on your #1 Chartier well located in the SW¹/₄ Section 4-26N-12W. We were in error in our letter of September 6, 1957 in requesting that a new Form C-128 be filed on this well. As the present pool rules stand the acreage dedication is correct.

Our file on this well indicates that Form C-104, Request for Allowable, was approved on July 15, 1957. Distribution also indicates that one approved copy was returned to Mr. E. D. Granville, Drilling and Production Superintendent. Form C-110 was returned to you for the reason that no transporter was designated. If we can be of any further service, please let us know.

Yours very truly

Emery C. Arnold
Supervisor, District #3
