

New Mexico
OIL CONSERVATION COMMISSION
Aztec, New Mexico

July 31, 1958

Frontier Refining Company
4040 East Louisiana Ave.
Denver 22, Colorado

Gentlemen:

Reference is made to your #1 Chertier well located in the SW¹/₄ SW¹/₄ Section 4-26N-11W, San Juan County, New Mexico. Form C-110 "Certificate of Compliance and Authorization to Transport Gas" previously approved designating El Paso Natural Gas Company as gas transporter is hereby cancelled.

You will note that this well has been listed in the San Juan County Oil Production Schedule with the notation "No C-116".

Inasmuch as this well along with others of similar nature in this area is regarded by the Oil Conservation Commission as being completed in the gas cap of an undesignated oil pool it is to receive no allowance until a Gas-Oil Ratio Test has been made. At such time as a Gas-Oil Ratio Test has been received it will be assigned an allowance based on the limiting Gas-Oil Ratio for the pool which for the current month is 70 X 2000 or 140,000 cubic feet per day.

If you have any questions in this matter please contact us.

Yours very truly

Emery C. Arnold
Supervisor, District #3
