Gentlemen:

Your wells, Mead #B-1, located NE 3-26-11, and Navajo #1, located SW 3-26-11, San Juan County, New Mexico are tied in and have been ready for production as of November 7, 1959.

Due to necessary forms not being filed with the New Mexico Oil Conservation in Aztec, we do not have the authority to produce these wells.

Please advise.

Very truly yours,
