Attention: Peggy Bradfield

*Administrative Order NSL-3845*

Dear Ms. Bradfield:

Reference is made to your application dated July 21, 1997 for an unorthodox Blanco-Mesaverde "infill" gas well location on an existing standard 320-acre gas spacing and proration unit ("GPU") for said Blanco-Mesaverde Pool, comprising the W/2 of Section 16, Township 27 North, Range 8 West, NMPM, San Juan County, New Mexico. Said GPU is currently dedicated to the Schultz State Well No. 12 (API No. 30-045-06442), located at a standard gas well location 790 feet from the South line and 1515 feet from the West line (Unit N) of said Section 16. - 27N-08W

By the authority granted me under the provisions of **Rule 2(d)** of the "*General Rules for the Prorated Gas Pools of New Mexico/Special Rules and Regulations for The Blanco-Mesaverde Pool*", as promulgated by Division Order No. R-8170, as amended, the following described well to be drilled at an unorthodox "infill" gas well location in said Section 16 is hereby approved:

**Schultz State Well No. 12-A**  
**2085' FNL - 1330' FWL (Unit F)**  
**API No. 30-045-29467**

Further, both the Schultz State Well Nos. 12 and 12-A are to be dedicated to the subject GPU, further said wells and GPU will be subject to all existing rules, regulations, policies, and procedures applicable to prorated gas pools in Northwest New Mexico.

Sincerely,

Dear Mr. LeMay:

Burlington Resources is applying for administrative approval of a non-standard location for the above location in the Mesa Verde formation. This application for the referenced location is due to terrain, the presence of archaeology and to utilize an existing well pad, thus minimizing new surface disturbance.

The following attachments are for your review:

1. Application for Permit to Drill.
2. Completed C-102 at referenced location.
3. Offset operators/owners plat, and certification of notification
4. 7.5 minute topographic map showing the orthodox windows, and enlargement of the map to define topographic features.

We appreciate your earliest consideration of this application.

Sincerely,

Peggy Bradfield  
Regulatory/Compliance Representative
