Oil Conservation Commission
Box 871
Santa Fe, New Mexico

Dear Mr. Macey:

This letter is to request the approval of an unorthodox location in the South Blanco-Pictured Cliff Field, San Juan County, New Mexico.

This well, the Schwerdtfeger #3-A is to be located 330 feet from the South line and 2390 feet from the West line of Section 6, T27N, R8W, N.M.P.M., San Juan County, New Mexico. A series of ridges and the bottom of Blanco wash make an orthodox location impossible.

This acreage is offset by El Paso Natural Gas Company and Pacific Northwest Pipeline Corporation. Approval from Pacific Northwest has been obtained.

I am enclosing two copies of the Certified well location plat sketching terrain conditions, Well Survey Plat showing offset acreage, letters of approval from Pacific Northwest and copies of our Intention to Drill.

Thank you for your consideration of this matter.

Yours very truly,

E. J. Coel
Senior Petroleum Engineer
