17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Great Lakes Chemical Corporation respectfully requests permission to produce the well at low volumes and to have the well shut-in for indefinite periods due to the purchaser under an effective contract refusing to take gas as required by the contract. Litigation is pending between Great Lakes Chemical Corporation and the purchaser and Great Lakes Chemical Corporation believes that litigation and the resulting marketing conditions will continue for a year or more.
