BLM approval for long term shut in status expires 12-31-89. Dugan Production Corp. requests that the BLM extend this approval for 1 year, so that we will have time to formulate a unit plan of operation which will include this well, and will allow for optimum wellbore utility within the West Bisti Unit.

Effective 11-1-89, Chevron U.S.A., Inc. transferred operatorship of this unit to Dugan Production Corp. having completed arrangements for the sale of Chevron U.S.A.'s interest to Dugan Production. The necessary paper work to designate Dugan Production as successor operator is circulating for West Bisti Unit working interest owner's approval and will be forwarded to the BLM upon execution by all the working interest owners. In the interim, Dugan Production is acting as agent for Chevron, U.S.A. as unit operator.
