Attention: Mr. Carl E. Matthews

Gentlemen:

Reference is made to your application dated February 23, 1968, for administrative approval of an unorthodox gas well location in the Basin-Dakota Gas Pool for your Ka-Des-Pah Well No. 2 to be located 1550 feet from the North line and 450 feet from the West line of Section 18, Township 26 North, Range 8 West, NMPM, San Juan County, New Mexico.

As Rule 3 of the Special Rules and Regulations governing the Basin-Dakota Gas Pool requires the applicant seeking administrative approval of an unorthodox location to notify all offset operators and all operators within the section in which the subject well is located, your application will be held in abeyance until such time as the Commission receives evidence that all such operators have been so notified.

Very truly yours,
