13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

This well was plugged and abandoned on November 16, 1996. It was erroneously reported to the MMS as a shut-in well at a later date and carried forward as such. This error has now been corrected.
