See instructions on back of completed application. (Clearly state all pertinent details, and give pertinent dates, including estimated date of completion.)

The above well was shut-in on 1-15-76 with indications of collapsed casing. The rods and pump were removed, but the tubing was not.

This request is being filed to obtain approval to temporarily abandon the well pending evaluation of a casing repair or plugging and abandoning procedures.

There is no evidence of contamination of fresh water or other natural resources, or the leakage of any substance at the surface.

TEMPORARY ABANDONMENT
EXPIRES

OCT 31 1976

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
